**New Years Eve - 31st December 2017 6.30pm.** As we don't have a speaker invited, we will be having a short members service. There will be an open time for sharing so perhaps you would be thinking and praying about something which you could share. Maybe something which God has been teaching or showing you recently or a verse etc which has encouraged or challenged you. It is always encouraging to see how God is working in each others lives both in the happier and in the difficult times too and to be able to encourage and support one another in that.

~ Therefore encourage one another and build each other up, just as in fact you are doing. 1
